Dr. Julie A. Krasne

graduated with honors from the Kansas State University College of Veterinary Medicine in 1984. After graduation, she moved from her native home in the Midwest to

Central Vermont and, having built many ties to her new home in Vermont, vows that she'll "never live anywhere else." Dr. Krasne gained valuable experience as a staff veterinarian at several Central Vermont practices and has built a reputation as a hardworking, knowledgeable, and caring veterinarian. She resides in Chelsea with 2 cats, a horse and several fish.

At Chelsea Animal Hospital, it is the commitment of Dr. Julie Krasne and her staff to provide quality, compassionate and personalized veterinary care in a convenient and comfortable setting.

The Hospital is equipped to provide a wide range of medical, surgical and diagnostic services.

- **Office Hours & Surgery by Appointment**
- **24 Hour Emergency Coverage**
- **X-Ray and Laboratory Capabilities**
- **Superior Quality Nutritional Products from Iams and Hills**

Dr. Krasne believes in a personalized approach to veterinary medicine with emphasis on client education to enable pet owners to be actively involved in the medical decisions affecting their pet. Dr. Krasne and her staff make every effort to put the pet and pet owner at ease in the warm and non-clinical atmosphere at the Chelsea Animal Hospital.

Dr. Krasne emphasizes the importance of preventative health care. With maintenance of a proper health care program, which includes annual physical examination, vaccination, parasite prevention and control, and nutritional counseling, many conditions can be detected early or avoided, rewarding both the pet and the pet owner.
